NOW, THEREFORE, in consideration of the mutual covenants hereinafter to be kept by all parties, it is mutually agreed as follows:

1. The CITY shall set aside sufficient funds and be responsible for, all electrical energy costs to operate the traffic signals and/or intersection lighting.

2. The CITY shall set aside sufficient funds and be responsible for all routine maintenance, and emergency maintenance, and operations of traffic signals and lighting.

3. The CITY shall keep detailed maintenance records and they shall be made available to the STATE if requested.

4. Any new installation or any betterment shall be based on a traffic engineering study conducted, or concurred with, by the STATE; and the mutual involvements shall be negotiable.

5. The CITY shall pay for installation and monthly telephone charges for interconnect circuits when utilized.

6. While the STATE may furnish certain materials and apparatus, the CITY shall indemnify, save harmless, and defend the STATE, its officers and employees, from all suits, actions or claims of any character brought: because of any injuries or damage received or sustained by any person, persons or property on account of the operations of the CITY or in consequence of any neglect in safe-guarding the work; or because of any act or omission, neglect or misconduct of any employee of the CITY in accomplishing the work; or because of the use of State-furnished materials which may be determined by reasonable inspection upon receipt of said materials to be patently deficient and unacceptable.

7. This Agreement shall remain in force and effect until the work therein embraced has been completed in accordance with the terms of the Agreement or until earlier terminated by either the STATE or the CITY upon thirty (30) days' written notice of that intent, except, however, that the parties hereto shall retain any continuing obligations contemplated by this Agreement.

All parties are hereby put on notice that this AGREEMENT is subject to cancellation by the Governor pursuant to Arizona Revised Statutes Section 38-511.

8. It is understood that this Agreement will cancel and supersede any previous Agreements for installation, maintenance, and betterment of traffic signals and/or intersection lighting on those State Highways which traverse within the boundaries of the CITY.

9. It is understood that the list of intersections set forth in this Agreement may be added to, or have deletions made, by Letter Addendum Exhibit "C", with all other conditions set forth remaining in effect.

10. It is understood that upon the termination of this Agreement for any cause whatsoever, all properties which are the subject matter of this Agreement are declared to be property of the Arizona Department of Transportation.

11. Any disposal of properties subject to this Agreement shall be in a manner as otherwise prescribed by law concerning the disposal of public property.

12. This Agreement shall be filed with the Secretary of State and shall become effective upon such filing.

13. Attached to this Agreement and incorporated herein by reference is Exhibit "B" which is a copy of the written determination of the appropriate attorney that the CITY is authorized under the law of this State to enter into this Agreement and that it is in proper form.
